SPRAY-DECK

# The Economical Solution

*Is the perfect cover-up for old and unsightly concrete*

**Spray-Deck** is the cost-effective and easy way to create a colorful, textured surface over unattractive or dull, structurally-sound concrete without the mess and expense of full removal. This spray-on overlay is durable and easy to maintain and has the look of brand new concrete. With unlimited color choices, Spray-Deck will restore the look of areas such as pool decks, driveways, patios, lanais, walkways, entryways, and more. At 6000 psi, Spray-Deck is resistant to abrasion and perfect for high traffic areas where a decorative finish is desired.

■ **Spray-Deck** brings new life to dull or worn concrete. Color and interesting textures can be created on plain surfaces, either horizontal or vertical. The highly textured surface is slip resistant and a sealed finish helps prevent staining. Easy to clean and maintain, it also stands up to cold winters as well as hot summer sun.

**Ideal for: Driveways | Walkways | Entryways | Patios | Pool Decks | And more!**
